

House vote on H-109.1.00506: Threatened and Endangered Species Recovery Act, 9/29/2005

House Democrats voted **against** this measure that weakens the Endangered Species Act (36 Yes/158 No). Here are the ones that didn't. The Representatives are sorted according to how often they vote against their own party in partisan votes. Note in particular the vote breakdown, below. With Republicans breaking on this issue as well, it may have been possible, with greater discipline, to win on this issue.
